STEVAN STROMSKY JOINS NORTHEAST BANK

Veteran banker to serve individuals and businesses in the greater Portland market.

Portland, Maine, March 1, 2023 – Northeast Bank announced today that Stevan Stromsky joined the bank as Senior Vice President, Community Banking Development Officer for the greater Portland, Maine market. In this new role, Stromsky will help individuals and businesses access deposit products and services designed to help them earn a higher rate of return and save money on fees.

“We are pleased to have Stevan join the team. His customer-centric approach along with two decades of banking experience in the Maine market is a great fit for Northeast Bank as we expand our reach throughout Maine and offer the communities we serve access to competitive deposit products, services, and interest rates,” said Robert T. Banaski, Senior Vice President, Director of Community Banking.

Stromsky joins the bank from KeyBank where he was Branch Manager of the One Monument Square location in Portland. During his tenure, the branch was recognized as a consistent top performer nationally and in Maine.

“I look forward to continue serving the greater Portland area with Northeast Bank’s full suite of consumer and small business deposit products, services, and excellent savings rates,” said Stromsky.

Prior to KeyBank, Stromsky worked for Bank of America. He is highly involved in the Portland community as a member of the Portland Rotary and volunteers at Preble Street, Junior Achievement of Maine and The Salvation Army.

To book an appointment with Stevan, customers are encouraged to call (207) 774-1426. The Portland banking center is open Monday through Thursday from 8:30 A.M to 4:00 P.M. and Fridays 8:30 A.M to 5:00 P.M.
